

AGRICULTURE SAFETY

“IN 2016, 417 FARMERS AND FARM WORKERS DIED FROM A WORK-RELATED INJURY IN THE U.S.”

An aerial photograph of a lush green agricultural field, likely a rice paddy, with a winding road and a river visible in the background. The field is divided into terraced sections, and there are some small structures and trees scattered throughout.A login form for REAL TIME RISK SOLUTIONS AG SAFETY. The form is overlaid on the aerial photograph. It includes a logo at the top, followed by input fields for USERNAME and PASSWORD. Below these are links for FORGOT USERNAME and FORGOT PASSWORD. There is a checkbox for Disclaimer and a link for (Read More). At the bottom is a green LOGIN button.
