

# CASE STUDY: INTEC

Within only a few weeks, INTEC and ELEMENT jointly launched a second-hand car insurance product suite. Car dealers can now extend the warranty of sold cars with ease since the product is neatly integrated through APIs into the INTEC platform.

## Highlights

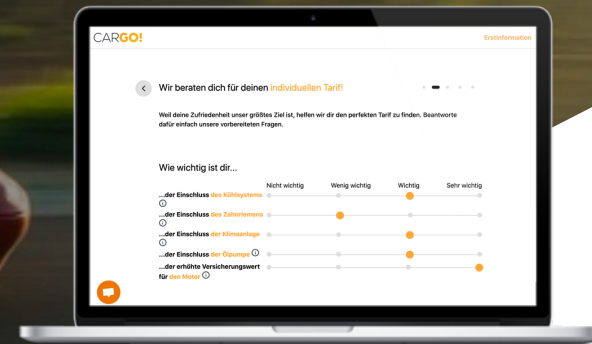

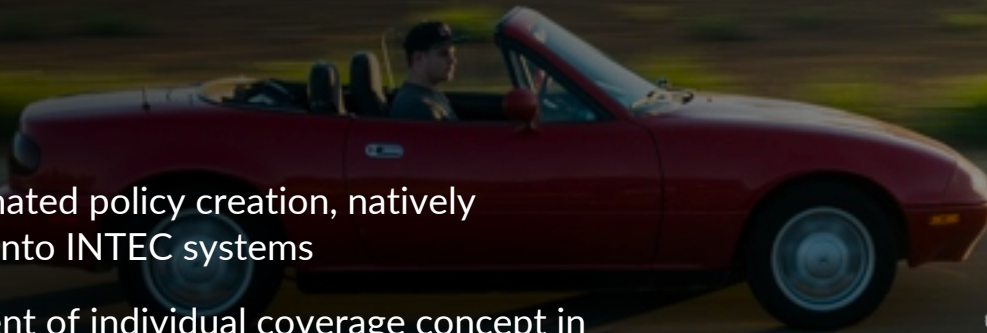

Fully automated policy creation, natively integrated into INTEC systems

Development of individual coverage concept in close collaboration with INTEC

One of the leading B2B warranty insurance products for second-hand car dealers

**intec**  
GARANTIERT EINFACH

For more than 40 years, **INTEC** is the leading expert in warranty products for second-hand cars. Mainly, INTEC sells warranty insurance for cars and car parts.
